

**CANADA SAFETY COUNCIL'S
BABYSITTER TRAINING COURSE**

**Babysitter's Practical Exercise
Evaluation Report Form**

Explanation for Parents:

The purpose of this practical exercise is to provide the opportunity for the newly trained babysitter to receive some experience in caring for a child while under the supervision of a parent. As a parent, we request that you have the babysitter participate in the activities listed below and provide him/her with constructive feedback.

The exercise must last a minimum of two hours and should not be done with a relative of the babysitter. Television must not be used as an activity and a snack should be prepared and served by the babysitter. The babysitter is expected to look after all the needs of the child, except where special circumstances arise.
